DATASHEET

## TECHNOCUT® Premium Surgical Blades

The Technocut® brand surgical blade line provides new innovative premium surgical blades that offers the best of both worlds: high-precision sharpness that lasts longer than traditional blades.

Manufactured from premium steel, the Technocut® surgical blade line offers the sharpness and edge durability required for most surgeries.

- Automated grinding and proprietary polishing processes which ensure consistent, clean and sharp cutting edges
- Two VCI strips ensure product and packaging integrity and reduce risk of blade piercing the foil
- Produced from premium steel
- Enhanced durability
- Manufactured in FDA-inspected facilities and conform to ISO-7740 and ISO-13485
- Available in sterile sizes: 10, 11, 12, 15, 20, 21, 22, 23, 24\*, and 25

\*Special order with minimums and lead time
