

**FOR IMMEDIATE RELEASE**

**MYCO Medical's Manufacturing Partner Receives Prestigious Frost and Sullivan Award**

**Meril Life Sciences Pvt Ltd**

**Apex, N.C., February 27, 2020** MYCO Medical's manufacturing partner Meril Life Sciences was recently awarded Frost and Sullivan's 2019 Indian Cardiac Implants Company of the Year Award. Frost & Sullivan's Best Practices Recognition recognizes companies throughout a range of regional and global markets for superior leadership, technological innovation, customer service and strategic product development.

"MYCO Medical is committed to bringing reliability, innovation, and value to the U.S. healthcare industry through our award-winning global manufacturing partners like Meril Life Sciences," said Sam Kumar, CEO of MYCO Medical. Meril Life Sciences' fundamental aim is to champion the alleviation of human suffering and to improve quality of life. To enable this, Meril is committed to R&D, innovation in manufacturing, medical technology, scientific communication, and contemporary distribution avenues. "The 2019 Frost and Sullivan Award is recognition of their fundamental core commitments," stated Kumar. "We are proud to be the exclusive U.S. distributor of Meril's endo-mechanical portfolio."
